Prospectus

Sd. Karan Singh Sabharwal, Chairman

Sri Guru Nanak Devji, founder of Sikhism, crossed geographical and political boundaries to spread the message of TRUTH. He travelled North, South, East and West for his mission, had dialogues with prominent contemporary clerics and collected the voice of truth emerging from all sources. Hymns of Kabir, Ravidas, Namdev, Farid, Jaidev and others have been compiled in the Sri Guru Granth Sahib, rendering them universal. Guru Nanak Devji came to Kashi, had a seat in a "bagh," where he held a discourse with well-known religious person Chatur Das and made him aware of ritual-free worship of One Supreme Being. The place has come to be known as Gurubagh, and a gurudwara stands there to mark the historic event. His teachings are for all mankind. The Sikh philosophy rests upon the three pillars, namely Naam Japna, Kirt Karni and Vand Chhakna. He urged people to shun all dogmas, rituals, superstitions, gender inequalities and the caste system. He stressed the importance of universal brotherhood and service to mankind. Our vision rests on Guru Nanak Dev Ji's philosophy of "TRUTH IS HIGH. HIGHER IS TRUTHFUL LIVING."

Sd. Paramjeet Singh Ahluwalia, Manager

Guru Nanak English School started in 1990 under the dynamic leadership of Founder Chairman Late S. Ajit Singh Sabharwal with a vision of dispelling ignorance through the spread of knowledge and laying stress on the education of girls. Since then, the school has grown in number while adhering to its vision. The school has an upward track record in giving CBSE results both in tenth and twelfth standard. Our students have been Purvanchal Topper several times. They have made their way to AIIMS, IITs, and other prestigious Medical, Engineering and Management institutions in the country. The school has achieved glory in sports and cultural activities as well. We have created a learning environment in the school that fosters every child to realise his or her potential at their own pace.

Daljeet Kaur, Director

Welcome to Guru Nanak English School, Shivpur. Here at GNES, we believe that each child is unique and it is important to us that they are given the opportunity to discover their latent talents and passions. We aim for academic excellence supported by soft skills that last a lifetime. The pedagogy adopted makes learning joyful and experiential. We provide a school climate that is catalytic to stress-free learning. We hope you and your family make time to visit us soon and experience in person what makes Guru Nanak English School a unique place to live and study. I look forward to welcoming you.

Today a reader, tomorrow a leader.

Kaushik Acharya, Principal

At Guru Nanak English School, our mission is to prepare each of our students to fulfill their potential in leadership, and in life. We accomplish this not with knowledge and understanding alone, instead we emphasize on relationships and pastoral care as well, both inside and outside the class room. This is crucial for holistic development. Creating a supportive and enriching environment for students is the key to helping them fulfill their potential.

History

Guru Nanak English School, established in 1990, is managed by the Managing Committee of Guru Nanak English School, Varanasi. The aim of the institution is to mould the character of the students to make them worthy citizens of our country. Efforts are taken :

1. To help students become honest, responsible, sincere, spiritually oriented human beings.
2. To encourage them to be good learners and to strive for excellence.

Our Vision

‘GNES envisions a society of learned and compassionate youth who honour the dignity of labour. We aim to create a vibrant and broad menu of experiences so that our children flourish through experiencing life in all its fullness.

Our Mission

‘We are committed to identify and hone the potential of the young leaders. We endeavour to add values, sharpen skills and kindle love for all creatives.

Infrastructure

Our school building is more than just a physical structure; it is a vessel of knowledge, a sanctuary of growth, and a canvas for dreams! The impact of a well-designed school building on a child’s learning journey is immeasurable. From the layout of classrooms that foster interaction to the play areas that cultivate physical well-being, the environment in which education unfolds holds immense importance in the academic journey of students.

- Classrooms
- Science Laboratory
- Library
- Computer Laboratory
- Mathematics Laboratory
- Rooms for Co-curricular Activities
- RO Drinking Water and Toilets
- Stem lab

Girls’ Hostel :

The school is concerned about the safety, security and comfort of our girl students. We offer

1. Uninterrupted electricity and internet facility.
2. Music club, literary clubs, library access.
3. Doctors visit on campus for medical support.
4. Water heaters and RO water for drinking.
5. Common room with television set, table tennis and yoga.
6. Dining hall equipped with a well-maintained and hygienic kitchen.

Transport

The school has GPS-enabled transport facility that caters to the needs of conveyance for desirous students coming from different parts of the city. The transport fee is charged as per distance.

Curriculum

The focus on academic excellence reflects our deep desire to equip our students with 21st century skills. The multi-cultural environment fosters understanding, tolerance and respect for individual. The teachers are humane and caring. They enrich students' experience with proficiency and knowledge. The school has been consistently producing great results.

● ***Curriculum :***

The pedagogy is competent and contemporary. It serves as the best preparation for further studies in the finest universities in India and abroad. Activity based experiential learning is facilitated across all classes. Students participate, contribute and are encouraged to think laterally.

● ***Literary Activities :***

Debate, declamations, elocution, recitation and dramatics are regular activities where young learners get exposure and are trained for public speaking as well. Theatre forms an important part of the various activities.

● ***Abacus :***

The abacus counting frame enhances arithmetical calculation. It uses the right and left sides of the brain simultaneously, provides audio and visual memory, enhances mathematical reasoning skills, improves concentration & cognitive abilities and improves gross motor skills.

● ***Sports and Games :***

We strongly believe in the popular proverb, 'A healthy mind in a healthy body' and hence Competitive sports and games form an integral part of the academic program of the school. The students have been bringing laurels in competition at interschool, zonal, state and national level for Basketball, Badminton, Volleyball, Rope-skipping, Chess, Dodgeball, Taekwondo and Roller-skating, to name a few.

● ***Community :***

Community reach programmes are conducted to promote social interaction and sensitising young learners to contemporary social and economic issues. Health check-ups are undertaken periodically by a team of expert doctors invited from premier hospitals.

● ***Art & Craft :***

Art Work helps develop aesthetic sense. Cultural activities, music and dance are vital to Indian culture. Every child is trained in these and acquainted with our heritage.

Painting :

- Screen Painting
- Framed Wall
- Fabric Painting
- Rope Sceneries
- Tie and Dye
- Nib Painting
- Glass Painting

Craft Work :

- Block Printing
- Patch Work
- Tin Embossing
- Jute Bags
- Macramè
- Candle Making
- Bead and Sequin Work

Sculpture :

- Pottery
- Clay work
- PoP
- Wax

Leadership Skills

Leadership skills play a crucial role in shaping a positive and effective school environment.

The integration of work and study is the key element at Guru Nanak English School. All the students are encouraged to gain practical experience in leadership skills in the course of their academic education. We have four houses namely Tagore, Bhagat, Raman and Netaji.

Here are some key leadership skills that our school student imbibe -:

- **Visionary Thinking**
- **Decision-Making**
- **Team Building**
- **Adaptability**
- **Strategic Planning**
- **Ethical Leadership**

The school student council benefits them to develop an overall proactive approach.

List of Clubs

The concept of clubs is seen as an opportunity for adaptation to life in the group, forming good lifelong habits and cultivating a voluntaristic spirit. Club activities supplement academics and give the students practical training that they require in their day-to-day lives. In the school, various club activities are organised, allowing the students to display their talent.

- Scout & Guides
- Heritage Club
- Art & Craft
- Performing Art club
- Literary club
- Interact and social responsibility club
